CORY – GO-GETTER DRIVER (Early 20s)

Cory has finally fulfilled his dream of becoming a driver for *Chow Now!* in the breathtaking Rapid City. Cory's cool and positive attitude will help him survive the rush of deliveries. Nothing is going to put a damper on his dream, except maybe his cousin Kristie. But with the help of your new car, nothing can stop you! / References: Peter Parker, Mike (Monster's University), Leslie Knope (Parks and Rec), Annie (Community).

A	<i>Eager, excited, beginning of shift.</i>	Hit me SAV, where am I heading to next?
B	<i>Accidentally running over a stop sign.</i>	I like to think that stop sign was optional.
C	<i>Driving into oncoming traffic.</i>	I'm not doing that again!
D	<i>Determined, wanting to deliver faster.</i>	Sweet! New record!
E	<i>After delivering more than yesterday.</i>	Not too shabby, if I say so myself.

RICK TOWERS – NEWSCASTER (30s – 40s)

Rick Towers is the radio host of 89.5 Razzle FM where he discusses everything happening in Rapid City. He's very passionate and a rough edge to him. As a radio host he speaks clearly and with high energy. / References: JJ Jameson (Spider-Man)

A	<i>Cool, has said this a thousand times.</i>	This is Rick Towers at eighty-nine point five, Razzle FM.
B	<i>Sharing strange events over the radio.</i>	In recent news, Rapid City now has a new food delivery business called Chow Now. Great, cause that's what we need. Apparently, they're surpassing the top contender Quickfix and – seriously? This junk is making the news? Bev get over here! Yeah nobody cares about this junk. Rival delivery companies? What are we scraping the bottom of the barrel? Find me an actual story Bev!

SAV – CAR WITH AN ATTITUDE

S.A.V. (Sassy Advanced Vehicle) is a prototype advanced car designed to find the fastest routes in Rapid City. This supercomputer with human-like communication developed a low level of sass accidentally through testing. She begins to enjoy Cory's company, but would appreciate if he avoided scratching her paint job. / References: KITT (Knight Rider), Cortana (Halo series), Orisa (Overwatch)

A	<i>Introducing herself to Cory. Go! Go! Attitude.</i>	The name's ACE, it's short for something boring. Let's drive.
B	<i>Advising on their new delivery time.</i>	Thirty seconds Cory. Punch it!
C	<i>Cory drives into oncoming drive.</i>	I bet my tank we're going to die.
D	<i>Cory scrapes ACE against a wall.</i>	Watch the paint job!
E	<i>After Kristie mocks Cory. Weirded out.</i>	Are you positive your cousin is sane?

KRISTIE – RIVAL WITH A MISSION (Mid 20s)

Kristie blasts Taylor Swift from her car as she makes deliveries down Rapid City. The concept of braking is lost on her, as she values speed over anything else. With Cory, she and him have competed over anything and everything since they were kids. They do not hate each other, but she enjoys rubbing in her victories in his face. / References: Mindy (Drake and Josh), Vicky (Fairly Odd Parents).

A	<i>Calls Cory for the first time. Playful.</i>	Hey Cory, I didn't think you'd actually get the job. Let's see who delivers more!
B	<i>Teasing after Cory delivers late.</i>	That's two seconds too late! Maybe next time!
C	<i>Cory delivers on time. Mock.</i>	You're gonna have to do better than that if you wanna beat my record!
D	<i>Kristie delivered more than Cory. She won.</i>	I wonder what I'll do with all the money I stole from your customers. Any suggestions?
E	<i>Nicki lost and struggles to say congrats to Cory.</i>	Shut up! There's no way you could of – ugh, fine. You win. Just time though!
